Künstler are based in Hochheim, a wine village in the Rheingau with south facing slopes going down to the Main river 3 km before its confluence with the rhine. The Hölle (sloping hillside) vineyard incorporates the Königin-Viktoria-Berg, which Her Majesty visited in 1845 and in 1851 granted permission to name the vineyard after her.

**2017 Goldmuskateller Auslese, certified Bio-Wein**

Alc.: 7.5%, Residual sugar 99.5g/l

Waitrose ½ bottle £18.99

Enjoy aromas of honeysuckle, plums and orange

An exquisite wine from lesser known grapes that's light on the palate with a fresh finish. It's well balanced with the gentle acidity stopping an overly sweet taste.

The history of the **Geheimer Rat Dr. von Bassermann-Jordan** winery is the history of a family dynasty that has helped to establish quality viticulture for more than 300 years.

Goldmuskateller (Moscato Giallo) is a grape varietal with particularly robust skins, Particularly good to produce sweet as it is very resistant to mould and rot.
